Authentic Media, United Kingdom, 2015. Hardback. Condition: New. Language: English. Brand new Book. An insightful, inspirational, amusing and honest guide to relationships for the modern single Christian woman. How does the single Christian woman maintain her relationships while staying true to herself? How can she thrive in a predominately secular culture and keep her faith in a world that doesn't reflect her values? The Virgin Monologues teaches how to do healthy relationships, what to fight for and what to give up on. It gives healthy principles to understand before looking for a team mate. Endorsements: "It may be that this does not paint the whole picture of your single life, but guaranteed there will be plenty of shared experience, hurts, accidents and adventures within these pages. Her passion for Christ is a constant theme throughout this engaging, challenging and inspiring read." - Katharine Welby-Roberts A21 Ambassador, blogger, speaker. "It's tough being a single Christian girl in a world full of feelings and emotions and expectations and hopes and dreams and aspirations. Like a best friend spilling her deepest thoughts onto the page - some heartbreaking and some hilarious - Carrie takes us on a journey past shame and heartache and faux pas to healing and freedom and truth. This book will be a companion to any sassy young woman wanting to make sense of who she is in the midst of all of life's stuff." - Chine Mbubaegbu, head of media & communications Evangelical Alliance; author of Am I Beautiful?
